

PPP Loan Forgiveness Portal is Now Available

August 10, 2020

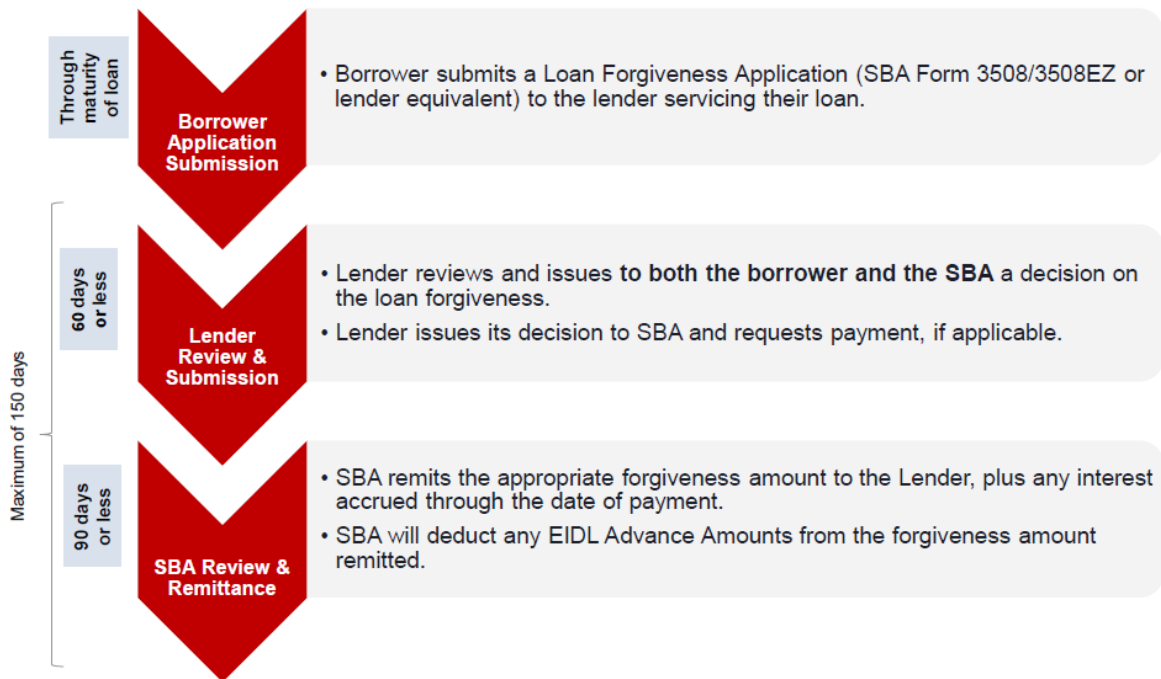

First Northern Bank is pleased to inform you that our PPP Loan Forgiveness Portal is now ready for accepting forgiveness applications. Within the next few hours, you will receive an email that will come from the Bank's core banking service provider, Fiserv. The email will include the link to First Northern Bank's forgiveness portal.

It is important you have access to your PPP loan documents as your **Company Name** and **Tax ID** must be input **EXACTLY** as they appear on the PPP loan documents. Should you have any trouble logging into the portal, please contact the relationship manager/lender you worked with for the PPP Loan.

First Northern Bank will send you another email once it has reviewed your application. You will be notified if your application is incomplete and additional information is needed, or if it has been forwarded to the SBA with a recommendation for approval.

The chart below provides borrowers with the SBA's Loan Forgiveness Process Timeline.

Loan Forgiveness- Process Timeline

4

As always, we will let you know should changes occur with SBA process requirements or legislation.

For more information and updates, visit First Northern Bank's website at thatmybank.com, SBA.gov/PaycheckProtection or Treasury.gov/CARES.
